- ▶ What impacted you most about this story?
- ▶ How did God work in this situation?
- ▶ What challenges do you face that might be similar to Fraser's?
- ▶ What might have happened to the Lisu if Fraser and others like him had not gone to *live* near them?
- ▶ How do you see the role of prayer in this story?
- ▶ How can we more effectively participate in God's desire for everyone to hear the truth about Jesus?

Visit the official *Breakthrough* website at www.jofraser.org for more in-depth group discussion questions and how to effectively use the film to encourage people on their missions journey.

OMF International was founded as the China Inland Mission in 1865. It was then that J. Hudson Taylor knelt upon the beach at Brighton, England and “prayed for twenty-four willing, skillful laborers” to reach the untouched inland provinces of China.

Today OMF International is a diverse evangelical mission agency of more than 1,200 workers from 30 different countries. We serve the church and take the gospel to many countries in East Asia, place christian professionals in short and long-term programs in East Asian countries and share the love of Christ with East Asians worldwide.
