More than 3,000 years have passed since Moses led the Israelites across the Red Sea and out of the bondage of Egypt. The Exodus Revealed follows the footsteps of the children of Israel on an unforgettable journey of discovery. A journey that reveals physical evidence for the Exodus, including the remains of 3,800-year-old Hebrew settlements in Egypt’s Nile Delta, Egyptian records of the Israelites’ bondage under Pharaoh, the precise route they may have followed to freedom, their crossing site on shore of the Red Sea, and the location of Mt. Sinai. 2 hours.

The Fall of Jericho

The fall of Jericho is a well-known story, fascinating children and adults alike. But what really happened there thousands of years ago? Did God work a miracle to bring down the walls of Jericho as the Bible states, or can natural causes sufficiently explain the city’s demise? The Fall of Jericho explores what really happened as Joshua and the Israelites experienced one of the Bible’s greatest military victories. Interviews with archaeologist Dr. Bryant Wood and Bible scholar Dr. Frederick Balth shed new light on the truths found in Scripture about this miraculous event. Widescreen, 30 minutes.

The Fall of Jericho

Against All Odds

How did an Israeli squad escape from a minefield during the Yom Kippur War? How did Avigdor Kahalani survive almost burning to death in his tank and then go on to become one of Israel’s most beloved war heroes? Israel’s rebirth and survival in the 20th century has been called a miracle. Those who were there cite their own experiences as proof. These are their stories. Remarkable stories of supernatural phenomena that helped to create and preserve modern Israel come to life in gripping dramatizations, eyewitness accounts, and interviews with the people who experienced these miracles of biblical proportions. Available as an abridged version (95 minutes), or mini-series, which includes the abridged version (9 hours total).

March of the Penguins

This breathtakingly beautiful documentary chronicles the heroic and harrowing journey that emperor penguins make amid subfreezing temperatures and violent snowstorms at the South Pole in order to mate. With a determination that rivals that of the animals he documents so impressively, biologist and filmmaker Luc Jacquet spent more than a year documenting the emperor penguins’ epic struggle not just to reproduce, but also to survive the March Of The Penguins. 80 minutes.

The Mysterious Prophecy of Isaiah 53

Exploring the ancient prophecy of Isaiah 53 is one of the most fascinating studies one can make. Some say it reveals the story of the Bible in just a few verses. At the heart of the mystery is identifying the one called “My Servant.”

Judaism most often identifies the suffering servant as the people of Israel who have suffered throughout history. Those who believe Jesus was the Messiah of Israel see Isaiah 53 as predicting Jesus’ death, burial, and resurrection, centuries before he lived. Can both interpretations find common ground?

Hosted from Israel, this four-part DVD presents biblical scholars who discuss the clues and interpretations. Participants include Dr. Michael Rydelnik, Dr. Walter Kaiser, Dr. Michael Brown, and Dr. Darrell Bock. 150 minutes.

Grace & Gravity

When Writer/Producer Andrew Walkington brought us the idea for a film about a confrontation between a Christian and an atheist, we wanted to make sure the approach stood out as unique. Too often, Christian films seem to present non-believers as one-dimensional, unlikeable, cruel people who serve as foils for the Christian hero to outwit. We wanted a movie that would portray all the characters with depth, realism, and nuance.

Thankfully, Andrew was absolutely on the same page with us. Grace & Gravity is about the relationship between a Christian and an atheist, and their attempts to “convert” one another. Through it’s compelling story, realistic characters, quirky humor, and riveting drama, it conveys an important message for Christians about why sharing our faith is about truly opening our hearts to those around us and honestly sharing our lives.
